

# W. CHRISTIE ARE OFFERING HUGE TOOL RENTAL SAVINGS ON HYDRAULIC TORQUE WRENCH AND POWER PACK EQUIPMENT

## NO GIMMICKS!

We offer good quality hire products at the right price

## NO COMPROMISE!

Reduction in price is not reflected in the standard of Christie service

## SAVE UP TO 65%

on standard hydraulic hire rates

There are plenty of 'one stop hire shops' who will hire you anything from paint strippers to excavators - but for bolting tools and torque tooling equipment come to W. Christie.

We will:

- offer tool match to your specific application and give technical advice if you need it
- guarantee all tools are individually serviced between every hire
- provide individual calibration certificates to UK National Standards with all torque tools
- take orders in advance and reserve equipment to avoid disappointment
- not charge for the time when equipment is in transit
- adapt reaction plates to fit exactly as they should, reducing risk to tool and operator
- train and assess your operators in the safe and correct use of Christie supplied equipment
- arrange delivery and collection of equipment (same day if required)
