OUR GUARANTEE of Quality...

HIRE SERVICE

WE WILL:

- ✓ **GUARANTEE:** All tools are individually serviced between every hire
- ✓ **PROVIDE:** Individual calibration certificates to UK National Standards with all hire torque tools
- ✓ **RESERVE:** Equipment in advance and reserve equipment to avoid disappointment
- ✓ **NOT CHARGE:** For the time when equipment is in transit
- ✓ **VISIT:** Your site (Sales Engineer) to assess your requirement and provide basic guidance on tool usage (pre or post delivery)
- ✓ **TOOL MATCH:** To the specific application and give technical advice where needed
- ✓ **ADAPT:** Reaction plates to fit exactly as they should; reducing risk to tool and operator
- ✓ **ARRANGE:** Delivery and collection of equipment (same day if required)

We can **fully train and assess** your operators in the safe and correct use of Christie supplied equipment. Please contact us for further details
