

BC-RAD 20XA BATTERY TORQUE WRENCH – TECHNICAL DATA

BC-RAD 20XA BATTERY TORQUE WRENCH – TECHNICAL DATA

DESCRIPTION

The BC-RAD 20XA Battery Torque Wrench is a hand held, non-impacting battery driven power tool designed to apply torque to tighten and remove threaded fasteners.

The BC-RAD 20XA has an automatic two speed gearbox to allow the operator to run down a fastener up to 5 times faster than the normal operating speed. When the torque starts to increase The BC-RAD 20XA will automatically change to a low speed for final tightening.

The reaction force works in the opposite direction to the applied torque. The point of reaction should be kept as far away as practicable from the centre of the gearbox to minimise this force.

Torque is controlled by adjusting the torque setting dial and viewing the setting on the selection scale. Corresponding settings and torques are determined using the calibration certificate provided.

The BC-RAD 20XA must always be operated with the following:-

- Lithium Ion Battery Pack (Supplied)
- Impact Quality Sockets
- Reaction Arm
- Battery Charger (Supplied)

SPECIFICATION

Output Square Drive (Male):	1" (25.4mm)
Direction:	Forward & Reverse
Torque Accuracy:	+/- 10%
Minimum Output Torque:	800 Nm (590 lbf.ft)
Maximum Output Torque:	2,000 Nm (1,475 lbf.ft)
Speed:	9.4 rpm (Auto 2 Speed)
Battery Charging Temp Range:	0°C To 50°C
Battery Charger Voltage:	110V or 240V (dependant on model purchased)
Noise:	Less than 85 dB(A)
Vibration:	Vibration level at handle does not exceed 2.5m/sec (Low)
Tool Weight:	5.1 Kg (11.24 lbs)
Reaction Plate Weight:	1.5 Kg (3.3 lbs)

ACCESSORIES AVAILABLE

The following accessories are available upon request and can be custom made to suit requirements. Please contact W. Christie (Industrial) Limited for more information:-

- Spare Lithium Ion Battery Packs
- Special Reactions
- Nose Cone Extensions
- Offset Gearbox
- Impact Quality Sockets
- Torque Checking System (Rundown Fixture)

No statement or data within this literature is warranted or guaranteed to be accurate.
