

C-RAD

Accessories

C-RAD ACCESSORIES

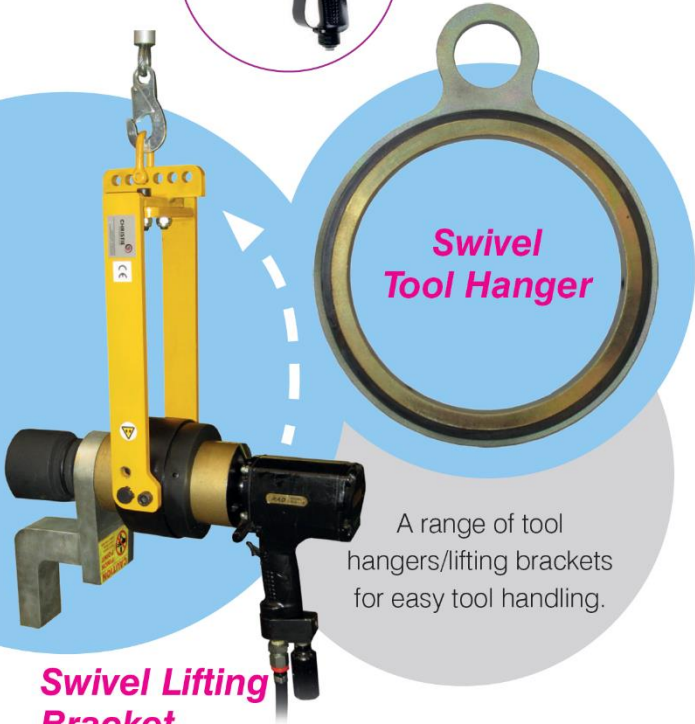

Hand Guards

Provide increased safety in tool handling and use.

Storage Boxes

Standard and bespoke storage solutions available on request.

Swivel Tool Hanger

A range of tool hangers/lifting brackets for easy tool handling.

Swivel Lifting Bracket

Swivelling Tool Handles

Extra handle which fits to the gearbox for improved ergonomics.

Bespoke Reactions

Don't struggle with standard reaction plates.

Torque tool breakages are often the result of incorrect reaction.

Special reactions can be designed and manufactured quickly to suit your individual applications.

The tool can only be activated with both the pistol trigger and the rear safety trigger pressed at the same time.

Safety Trigger
